

Casey paradisebirds polar lights

The screenshot shows the DLL-files Fixer application window. At the top, there is a navigation bar with icons for Status, Install DLL Files, Scan Registry, Defrag Registry, Backup Registry, and Settings. Below this is a red banner with a warning icon and the text "Attention! 314 registry errors found" and a "Fix Errors" button. The main area displays a table of registry errors:

Registry Section	Errors	Registry Damage Level
System related errors Errors affecting all users profile on the PC.	140	Low Medium High
Com and ActiveX errors Errors related to Com and Active-X components.	84	Low Medium High
User related errors Errors affecting your personal profile.	45	Low Medium High
Startup and Uninstall errors Errors related to Startup and Uninstall sections.	45	Low Medium High

At the bottom of the table, it says "Total registry errors found: **314**" and includes a "Fix Errors" button and a link to "Error Details".
